## Nursery News

This week we have been learning about the life cycle of a frog.

The children loved their trip to the pond however we didn't find any frogspawn or tadpoles, so we made our own frogspawn in class for our sensory play, which was very gooey.

Our caterpillars have arrived, and we are enjoying watching them change, they are getting bigger every day.

## Polling Station on site next week!

Please be aware that next Thursday is local elections day and the Family Centre at the front of school will be a polling station.

This means there will be many more people around the area than normal on that day.

Please keep fingers crossed for a dry day (the use of cars to school is incredible on wet days) and factor in possible delays so you can arrive on time at both the start and end of the day.

## Jared is a DOUBLE Millionaire!

Congratulations to Jared who leads the way with his reading through Accelerated Reader. He is now a Double Word Millionaire. He also enjoyed spinning the artwork on Mr Buckley's wall. Top work young man!

### Parent Forum (Update)

Mr Buckley's latest Parent Forum was very well attended with around 40 parents joining him to discuss aspects of school policy, the benefits of our membership of The Blue Kite Academy Trust and class organisation for September 2024.

It was an excellent opportunity for parents to raise questions and find out about the school's direction of travel. Thank you all who came and participated. The next formal meeting of this kind will be in the autumn but, as always, Mr Buckley is at the front of school most days during drop off and collection and of course at all the events listed in last weeks newsletter and on the website since July 2023 - just come and have a chat!
