Monday 4<sup>th</sup> November 2024

Dear parents,

After a hugely successful first term, we are back to continue our topic of 'Amazon Explorers'. Our focus remains on Brazil and the Amazon Rainforest, but with a new focus on the River Amazon. Our geography this term is all about rivers, looking at famous rivers in the world and how they are structured.

In English, we will be writing balanced arguments, demonstrating our ever-growing knowledge of the Amazon Rainforest. The children will be researching facts for and against deforestation for agriculture, using language to persuade. We will also be writing travel brochures to inform, again with a focus on Brazil. In maths, we are looking at fractions: comparing, converting, adding and subtracting.

Our PE days have changed to be **Tuesday** (indoors) and **Thursday** (outdoors). Please ensure children have appropriate outdoor wear as it becomes colder, such as an extra fleece over their school jumper.

Spelling and times tables will be assessed each Thursday, so please keep encouraging your child to practise little and often. As well as this, they should be reading 5 times a week.

Our year 5 assembly is fast approaching on Friday 29<sup>th</sup> November at 9am. More information to follow, but we are hoping to see as many of you there as possible.

If you have any queries, please come and see us.

Thank you.

Mrs Rowe and Mr Lovell
