

Maths

Place value and the four operations.
Using and applying known knowledge and skills to a range of problems.

Music - Victorian performance and composition

Children will perform a song inspired by the industrial revolution and sing with control and confidence. They will also listen and appraise a variety of different pieces of music.

History - Victorians and the railway

The children will find out key information about the Victorian period before studying how the railways changed Swindon. They will use a variety of sources to find out about how life changed at this time and communicate their understanding in a variety of ways.

PE

The children will continue to build on their skills in indoor sessions of yoga and gymnastics and outdoor sessions of tennis and basketball.

RE

Is it better to express your religion in arts and architecture or in charity and generosity?

Geography - Coastal erosion

Learning the key processes of coastal erosion using our experiences on the Isle of Wight.

Class novels: High Rise Mystery by Sharna Jackson
Gaslight by Eloise Williams

English

Children will create chapters for Queen Victoria's biography and will create balanced arguments linked to industrialisation and the railway. They will create a travel brochure for the Isle of Wight showing a clear awareness of their audience and will also write an extra chapter for our class book, showing awareness of character and atmosphere.

The Victorians
Year 6 - Terms one and two

Art

Printing - William Morris

Children will use William Morris' work as inspiration for their artwork using lino printing.

Collage - Moth

Children will use the book Moth to as a starting point for their own work.

Computing

Children will look at how the internet facilitates online communication and collaboration and complete shared projects online. Children will also develop their knowledge and understanding of using a computer to produce 3D models.

Science - Evolution and inheritance

Identify how animals and plants are adapted to suit their environment in different ways and that adaption may lead to evolution.
Understand that fossils provide information about living things that inhabited the earth millions of years ago.

MFL - Transport

Children will continue to develop their reading, speaking, listening and writing skills through describing modes of transport. They will use prepositions, continue to secure grammar skills and learn numbers from 1-100.

PSHE/Jigsaw

Dreams and goals and Being me in my world
The children will learn how to recognise their own strengths, wants, needs and goals. They will build their emotional skills, including empathy.
