8th February 2024

Dear Parents ad Carers,

This is just a brief note to let you know the price of school meals will be increasing slightly in Term 4.

As outlined in the summer of 2022 we have had to respond to increases in costs of both ingredients and running costs such as energy.

After years of no increases, we staged the increases over a number of school years until we fell back in line with the prices charged at other comparable schools. We were pleased to be able to delay September 2023's increase until now, but now need to implement that stage 6 months later than planned. We may still need to implement the final part of our phased increase in price in September 2024, but I will keep you informed about this nearer the time and if we can delay and keep prices level we will.

From Term 4 the price of a school meal will be £2.40, which places us within the lower average range.

Many thanks for your understanding - this will happen automatically within ParentPay when you order and pay for your meals next term.

Bob Buckley
